WELCOME TO THE 2017 MENDOCINO COUNTY MUSHROOM, WINE & BEER FEST

Visit Mendocino County and our partners are delighted to have you join us November 3-12 for the annual **Mendocino County Mushroom, Wine & Beer Fest!**

Every year in late October, as the first rain begins to fall, mushrooms flourish in abundance in Mendocino County, home to more than 3,000 types of mushrooms. It's the perfect place to pick and sample some of the 500 types of edible mushrooms you'll find here: chanterelles, porcinis, morels, hedgehogs, and even the rare Candy Cap mushroom, a real culinary treat with an intense maple syrup flavor that makes for surprisingly delicious ice cream!

To celebrate the cultivation of mushrooms, we have partnered with a host of businesses and organizations throughout the county to offer a gourmet menu of mushroom, winemaker, and brew master dinners, mushroom exhibits, guided mushroom forays, outdoor adventures, lodging specials, and much more. This year we have expanded our events lineup to include foraging experiences as well as a new Home Brew Festival showcasing local craft beer.

You'll find everything you need to know about the Mushroom Fest in this guide and on our website **www.visitmendocino.com**. Enjoy the festival!

Events take place throughout the County, from the inland valleys to the coast. Plan your trip at **www.visitmendocino.com** or by calling 1.866.466.3636.

WHERE CAN I FORAGE?

Many folks have their secret spots in the county, either on private property or at a resort that allows guests to hunt for mushrooms. If you're new to the area, the most important thing to be aware of is the many poisonous species of mushrooms out there. It is recommended you go with an experienced forager or join one of the many guided walks offered in the brochure. Jackson State Demonstration Forest offers permits for \$20 that can be purchased in the Fort Bragg office or mailed to you in advance. Call **707.964.5674** or visit <http://calfire.ca.gov> and look for the Mushroom Permit link. Maps, applications and FAQs can also be found on the website. **PLEASE NOTE:** It is illegal to forage in State Parks and violations can be punishable with fines up to \$1,000.
