WELCOME TO THE 2015 MENDOCINO COUNTY MUSHROOM, WINE & BEER FESTIVAL

We invite you to join us for our annual **Mendocino County Mushroom, Wine & Beer Festival!** Each year in late October, as the first rains start to fall, mushrooms flourish in abundance in Mendocino County, which is home to over 3,000 types of mushrooms. It's the perfect place to sample and pick some of the 500 types of delicious edible mushrooms, such as chanterelles, porcinis, morels, hedgehogs, and even the extremely rare candy cap mushroom, a culinary treat with an intense maple syrup flavor, which grows only along the northern coast of California (and makes for delicious ice cream!).

We craft a myriad of events for your delight: mushroom, winemaker, and brewmaster dinners, mushroom exhibits, guided mushroom forays, bike, kayak and equine adventures, wine and mushroom pairings, and much more!

Take your time to discover all that Mendocino County has to offer: gourmet restaurants, unique inns, picturesque villages, friendly wineries, outstanding breweries, majestic redwoods, and a rugged seaside. Indulge yourself with a gourmet mushroom feast at an amazing winemaker or brewmaster dinner, then cozy up by the fire at the end of your perfect day in one of Mendocino County's unique inns and rest up so you can start the next day with an art class, join a foraging adventure, attend a performance, visit our numerous galleries, or simply relax and do nothing at all.

We look forward to seeing you in November!

Events take place throughout the County, from the inland valleys to the coast. Plan your trip at www.visitmendocino.com or by calling 1.866.466.3636.
